### **ACTION REQUESTED**

Approve the Memorandum of Understanding between Tahoe Truckee Unified School District and the Boys and Girls Club of North Lake Tahoe for the ASES - After School Education and Safety Grant for the 2023-2024 School Year.

### **BACKGROUND INFORMATION**

The program is grant-funded by the State. The original grant is based on KBE as a TK-5 Grade School. This agreement is contingent upon the total \$239,707 funded by the State of California. Any decrease in funding by the State of California will result in a prorated decrease in TTUSD funds to BGCNLT within this MOU.

In addition, this agreement is made contingent upon BGCNLT's ability to generate 100% of the required after-school and before-school base and supplemental attendance targets needed to produce the \$239,707 grant award. If 100% of the targeted attendance is not generated, and the full grant award of \$239,707 is thereby not produced, any decrease in funding related to the loss of attendance will result in a prorated decrease in the amount funded by TTUSD to BGCNLT within this MOU.

**RESOURCES REQUIRED:** State Funded - \$239,707
