**PART III: CONDITION(S) APPLICABLE TO THIS REQUEST:**

<input checked="" type="checkbox"/> <b>SCHOOL CLOSURE:</b> When one or more schools were closed because of conditions described in EC Section 41422. LCFF apportionments should be maintained and instructional time credited in Section B for the school(s) without regard to the fact that the school(s) were closed on the dates listed, due to the nature of the emergency. Approval of this request authorizes the LEA to disregard these days in the computation of ADA (per EC Section 41422) without applicable penalty and obtain credit for instructional time for the days and the instructional minutes that would have been regularly offered on those days pursuant to EC Section 46200, et seq. <input checked="" type="checkbox"/> There was a Declaration of a State of Emergency by the Governor of California during the dates associated with this request.
<input type="checkbox"/> <b>MATERIAL DECREASE:</b> When one or more schools were kept open but experienced a material decrease in attendance pursuant to EC Section 46392 and CCR, Title 5, Section 428. Material decrease requests that include all school sites within the school district must demonstrate that the school district as a whole experienced a material decrease in attendance. Material decrease requests for one or more but not all sites within the school district must show that each site included in the request experienced a material decrease in attendance pursuant to EC Section 46392 and CCR, Title 5, Section 428. The request for substitution of estimated days of attendance for actual days of attendance is in accordance with the provisions of EC Section 46392. Approval of this request will authorize use of the estimated days of attendance in the computation of LCFF apportionments for the described school(s) and dates in Section C during which school attendance was materially decreased due to the nature of the emergency. <input type="checkbox"/> There was a Declaration of a State of Emergency by the Governor of California during the dates associated with this request.
<input type="checkbox"/> <b>LOST OR DESTROYED ATTENDANCE RECORDS:</b> When attendance records have been lost or destroyed as described in EC Section 46391. Requesting the use of estimated attendance in lieu of attendance that cannot be verified due to the loss or destruction of attendance records. This request is made pursuant to EC Section 46391: <i>"Whenever any attendance records of any district have been lost or destroyed, making it impossible for an accurate report on average daily attendance for the district for any fiscal year to be rendered, which fact shall be shown to the satisfaction of the Superintendent of Public Instruction by the affidavits of the members of the governing board of the district and the county superintendent of schools, the Superintendent of Public Instruction shall estimate the average daily attendance of such district. The estimated average daily attendance shall be deemed to be the actual average daily attendance for that fiscal year for the making of apportionments to the school district from the State School Fund."</i>

 Supplemental Page(s) Attached

The District was closed for 2 days in September due to hazardous smoke from the Mosquito Fire. The District then experienced winter storm events from November through March, which resulted in multiple school closures. All schools were closed for 12 "snow days" (with Donner Trail Elementary closed for 16 "snow days"). The winter storms brought heavy snows, blizzard conditions, and frequent minor and major road closures. (Continued on supplemental page.)

**PART II: SCHOOL INFORMATION** (Use the supplemental Excel form at <https://www.cde.ca.gov/fg/aa/pa/13a.asp> if more than 10 lines are needed for this request. Attach a copy of a school calendar. If the request is for multiple school sites, and the sites have differing school calendars, attach a copy of each different school calendar to the request.)

Part I: Nature of Emergency (cont.)

This created unsafe travel conditions and provided no safe access or ability to transport students to school sites. In addition, the volume of snow made it difficult to clear safe access for staff and students prior to the start of the school day. Truckee High School and Truckee Elementary School were both closed for 2 additional days due to structural snow load concerns on the roofs due to snow accumulation. The District was required to remove snow from roofs to bring the snow load below design thresholds before re-occupying buildings. The District incorporated 5 "snow days" into its calendar, all of which were utilized. Our closure dates requested are for 2 days due to hazardous smoke from the Mosquito Fire and 7 additional "snow days" at all sites. On top of these days, we are requesting 4 additional days for Donner Trail Elementary, 2 additional days for Truckee High School, and 2 additional days for Truckee Elementary School.

Hello. This is the Tahoe Truckee Unified School District with an important message.

Tomorrow, September 13, 2022, all TTUSD schools will be closed in anticipation of excessive hazardous smoke from the Mosquito fire. The National Weather Service and multiple air quality index sites are forecasting a similar smoke pattern as today, bringing unhealthy air into the region, starting in the late morning/early afternoon. This decision aligns with the standards set in our Air Quality Matrix, created under the guidance of Nevada County Public Health and the Nevada County Department of Emergency Services. The estimate for tomorrow's air quality is above 400 AQI for most of the day. We will continue to monitor the situation and communicate any operational adjustments.

We are still planning for a minimum day on Wednesday, September 14, 2022, as originally scheduled. Please check your school's website for dismissal times.

Hello. This is the Tahoe Truckee Unified School District with an important message.

Today, Friday, September 16th, all TTUSD schools will be closed due to hazardous smoke from the Mosquito fire.

The National Weather Service, the Northern Sierra Air Quality Management District, and air quality index sites do not anticipate smoke levels to improve for a significant portion of the day and are estimating air quality to continue getting worse. Current North Tahoe-Truckee AQI is in the very unhealthy and hazardous ranges while some school sites are also experiencing unhealthy levels indoors. Additionally, we are concerned about visibility on the roads and the safety of our students and drivers.

This decision aligns with the standards set in our Air Quality Matrix, created under the guidance of Nevada County Public Health and the Nevada County Department of Emergency Services.

Good evening. This is the Tahoe Truckee Unified School District. Regional agencies have advised us they need an additional day to get neighborhood roads open and accessible for buses to travel safely throughout them. Therefore, tomorrow, Monday, December 12, 2022, is a snow day, and all schools are closed. School activities are canceled unless otherwise notified. Please check our website at [www.ttusd.org](http://www.ttusd.org) or call 530-582-2510 for more information. Thank you.

Tomorrow, Thursday, March 2nd is a snow day, all schools are closed. All school activities are canceled unless otherwise notified.

This decision was made due to the many impacts our neighborhood roads are experiencing due to the recent heavy snowfall. Most bus routes are restricted to single lanes with no expectation of being widened by the morning, which creates hazardous driving situations for our bus operations and for the safety of students walking to/from, and waiting for the bus. Additionally, within the 700+ square miles our buses service, there are neighborhoods the buses simply can not travel through. We never like to cancel school, but we must put safety first in these situations.

Morning, families,

Today is a snow day for DTE only due to the furnace being out and temps below 50 in the classrooms.

Due to the amount of snow accumulation on Truckee High School's roof, both Tuesday, March 7th, and Wednesday, March 8th, will be digital learning days for Truckee High School students. They will both be a digital asynchronous workday for students.

Our maintenance team, in partnership with outside contractors, has been working tirelessly to reduce the amount of snow from the roofs at Truckee High School. However, the amount of snow on the roofs currently exceeds the snow load rating for some of the older portions of the building, specifically the east and central wings. A snow load rating determines how much weight, in snow, a building roof can hold. The current situation creates an unsafe environment for both students and staff.

We will continue to work on snow removal and anticipate being able to bring students back to a safe environment on Thursday.

Students must check Google Classroom and their TTUSD emails for work assignments which will be posted by 12:00pm. These assignments will be due by Thursday morning for grading, so please ensure students review them. Teachers

Due to the amount of snow accumulation on Truckee Elementary School's roof, Truckee Elementary will be closed tomorrow, Tuesday, March 7th.

Our maintenance team, in partnership with outside contractors, has been working tirelessly to reduce the amount of snow from the roofs at Truckee Elementary School. However, the amount of snow on the roofs currently exceeds the snow load rating for some of the older portions of the building. A snow load rating determines how much weight, in snow, a building roof can hold. The current situation creates an unsafe environment for both students and staff to be in those portions of the building.

We will continue to work on snow removal and anticipate being able to welcome students back into a safe environment on Wednesday, March 8th. If there are any changes, we will make sure to notify all TES families.

Thank you for your understanding and cooperation.

Morning, families,

Today, March 8, 2023, is a Snow Day for DTE only. Due to the condition of the highway, and the fact that there has been no plow on DPR between Soda Springs, Kingvale, and the school, it is not safe to bring the bus up or have families drive to school.

This is an over-performing storm. Please be safe. Your teachers will be reaching out via email.

Thank you.

Dear DTE families,

Today, March 14, 2023, is a snow day for Donner Trail Elementary students only. This is due to dangerous road conditions (heavy snow and flooding) over the Summit during the commute/arrival hour lasting through the early afternoon.

We are still planning to hold the PTO meeting this evening at 6:00 p.m., virtually only, here: <https://meet.google.com/qii-eegc-tpf>

Topics for the meeting will include postponing the Nelson Nordic Challenge fundraiser.

Today, Tuesday, March 28, 2023, is a snow day, and all schools are closed. All school activities are canceled unless otherwise notified.

This decision was made due to high confidence of heavy snowfall and high winds beginning in the early afternoon with potential visibility issues, creating a hazardous driving situation for our buses, families, and staff. Both the Reno and Sacramento National Weather Service offices were on our Tuesday morning weather watch call and still have high confidence in their forecasts for snow amounts, timing, and wind intensity.

As always, the safety of our students and staff remains a top priority in all decisions.
