#### 2023-24 School Description and Mission Statement

#### **District Vision**

All Tahoe Truckee Unified School District scholars will be provided challenging and engaging learning opportunities in order to thrive and to be successful in a globally competitive age. This goal will be accomplished through collaboration with students, parents, staff, and the community, united in dedication to our children's future. Highly skilled, motivated and caring principals and teachers will engage scholars in effective and innovative instruction through a rigorous and relevant curriculum that promotes mastery of meaningful content, creativity, critical thinking, teamwork, problem solving, respect for diversity, the ability to communicate in multiple languages, and the effective use of technology. A culture of quality, accountability, responsibility, and respect shall characterize the school district.

#### Community

Encompassing more than 720 square miles, Tahoe Truckee Unified School District is located in the Sierra Nevada Mountains, 100 miles northeast of Sacramento, and 35 miles west of Reno, Nevada. The District serves more than 3800 students in California's Nevada, Placer, and El Dorado Counties. District boundaries stretch from Hobart Mills, eight miles north of Truckee, to Emerald Bay, near South Lake Tahoe; and from Cisco Grove, twenty miles to the west, to Floriston, fifteen miles to the east.

School Description

North Tahoe School is a 6-8 school located in Tahoe City, California overlooking the great Lake Tahoe. Our school serves approximately 295 students with a rich diversity of backgrounds and learning strengths. North Tahoe School prides itself on the core values of being safe, respectful, responsible and kind. We believe that the culture we have developed allows all students the opportunity to learn at high levels in order to be prepared to graduate from high school and be college and/or career ready. North Tahoe School also supports our two major feeder elementary schools focus areas of Two Way Immersion and Science while building our community together.

In addition to offering high quality learning opportunities in the core areas of math, science, social studies and English, we also utilize a daily 30 minute enrichment period in order to meet the individual needs of students whether it be through academic support or meeting the needs of our accelerated learners. We also believe in the importance of supporting the social and emotional needs of each student. This support is approached through our weekly Second Step curriculum, our Wellness

### 2023-24 School Description and Mission Statement

Center and through our counseling staff and partnerships within the community.

Lastly, we offer several enrichment opportunities at North Tahoe School. These include Art, STEAM, Band, and Physical Education during the school day as well as Jazz Band, several sports teams, Eco-Action and countless field trip offerings with the support of Sierra Watershed Education Partnership (SWEP). We are constantly working together with our students, parents, PTO and community stakeholders to provide the best education possible.

#### **Mission Statement**

North Tahoe School is committed to creating a safe, respectful and responsible environment where all student achieve academic success through continual effort and growth. The committed work of our school community will result in all students being college and/or career ready for the 21st Century and prepared to be thoughtful and productive citizens.

# A. Conditions of Learning State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### **B. Pupil Outcomes**

### **State Priority: Pupil Achievement**

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

- 1. Smarter Balanced Summative Assessments and CAAs for ELA in grades three through eight and grade eleven.
- 2. Smarter Balanced Summative Assessments and CAAs for mathematics in grades three through eight and grade eleven.
- 3. California Science Test (CAST) and CAAs for Science in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### **College and Career Ready**

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	46	45	50	48	33	34

### 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### 2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

## State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

### 2023-24 Opportunities for Parental Involvement

Parent and community involvement is what makes our schools thrive. Our North Tahoe School Parent Teacher Organizations (PTO) meets monthly to support school needs both financially as well as through volunteer work. The PTO supplies resources for our students, whether for enrichment, fun, field trips, clubs, academic recognition or athletics. Our parents (community) supported the passing of Measure AA to provide additional funding for enrichment teachers, technology and learning materials.

Our parents also find opportunity for involvement through Site Council, reviews of school safety plans and ELAC meetings for parents of second language learners. Parents are involved through regular communication in weekly robo calls and emails as well as postings on our school website, Facebook and Instagram. We offer opportunities through student -led conferencing, school portfolio nights, daily access to Aeries (student management system) and regular progress reports.

North Tahoe School - Parent Involvement Policy

A Laker System in Balance

- 1. Follow directions the first time given. 3. Use respectful tone and language with everyone.
- 2. Practice active listening 4. Be your best self!

Parent's Jobs:

Establish a regular time and place for homework, review, and practice.

Establish a routine that allows for consistency with support materials available.

Provide academic support and assistance while checking and verifying academic standing.

Encourage literacy development by supporting daily reading at home.

Ensure students attend school regularly (attendance matters!), eat a healthy diet, get adequate sleep, and monitor recreational technology use.

Establish logical consequences for noncompliance and follow through.

Communicate with your child and their teachers/about school, socially and academically.

### 2023-24 School Safety Plan

The safety of students and staff is a primary concern of North Tahoe Middle School. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among support staff, teachers, and the administration. All visitors will sign in/out and wear a visitor badge to share with our students and staff that you are a visitor. A Driver's License is required for check-in purposes.

The School Site Safety Plan was most recently revised in the Spring of 2023 by the school staff and site council. The Safety Plan is reviewed with all staff members at the beginning of each school year. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees
- Healthy Kids Survey Results
- ALICE training safety protocol

ALICE is:

An emergency response protocol to be used in the rare, but very real, presence of an armed intruder. A response designed to empower all citizens with the skills and knowledge to respond when shots are fired until public safety arrives.

A response based on the premise that information, authorization, and proactive training are the key to surviving an Active Shooter.

Alert: All are authorized to announce, no codes used

Lockdown: Barricade included

Inform: Use of technology to provide detailed information to all stakeholders

Counter: Interrupt the intruder

Evacuate: Safely leave and relocate to school rally point(s)

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Fire, disaster, and intruder drills are conducted on a regular basis throughout the school year.
