

TAHOE  TRUCKEE
EXCELLENCE
IN EDUCATION
FOUNDATION

Excellence in Education is pleased to present TTUSD with a check for \$43,897.45. This represents the second half of the contribution to aid the purchase of 300 new Chromebooks.

The first check for \$35,000 was awarded to TTUSD in October. The initial check was the “pass-through” of a generous grant Excellence in Education received from Tahoe Mountain Resorts Foundation (TMRF) for the effort. Through the seed grant from TMRF and support from local businesses, organizations, individual donors, and our Board of Directors, we successfully raised the \$80,000 needed to purchase 300 new Chromebook computers for Tahoe Truckee Unified School District.

We want to give special thanks to the following businesses and organizations for their incredible generosity and support of our **Step Up for Education campaign**:

- Tahoe Mountain Resorts Foundation
- Raley's O-N-E
- Truckee Tahoe Airport
- Truckee Sunrise Rotary
- Truckee Noon Rotary
- Tahoe City Rotary
- Tahoe Getaways
- Soroptimists International of Tahoe Truckee
- Lopez Excavating
- Ryan Group Architects
- Pacific Crest Wealth Planning

* TTCF check came to TTUSD separately.
