**ADDENDUM B
Teleservices Provisions**

Client Responsibilities. Client agrees to the following items to facilitate VocoVision's provision of Services:

- (a) Client shall be responsible for providing a secure environment for VocoVision hardware and software ("Equipment") installed and operated at Client's designated location(s).
- (b) Client will provide sufficient infrastructure to support the proper operation of the Equipment, including network connectivity equal or superior to DSL access.
- (c) Client warrants that its facilities and operations will comply at all times with all federal, state and local safety and health laws, regulations and standards.
- (d) Client warrants that it will not use the Equipment for any purpose other than as contemplated hereunder, and acknowledges that VocoVision is not responsible for any damages associated with such impermissible use.
- (e) Client agrees to provide appropriate local support to facilitate remote telepractitioner's ability to fulfill the responsibilities outlined in Addendum C: Duties and Responsibilities.

Scheduling. Client agrees to the minimum hours of Services per week as stipulated in Addendum A: Terms of Teleservices Assignment, and will schedule the appropriate number of student speech sessions and other related services each week to meet or exceed the minimum hours requirement. Client and telepractitioner will agree upon a weekly schedule for Services which will be loaded into the VocoVision system. Any revisions to the schedule must be submitted to the VocoVision Operations Department no later than 12:00 PM EST Friday for Services the following week. VocoVision requires a 24-hour notice to cancel scheduled Services. One cancellation without notice is permitted per school year. Additional cancellations with less than 24 hours' notice will be billed at the regular rate. Note that VocoVision telepractitioners are encouraged to complete non-therapy work (e.g., paperwork, planning, file reviews, etc.) during any such cancellation time.

Administrative Responsibilities. Client shall be responsible for orienting telepractitioners to Client's policies and procedures regarding the submission of any requisite paperwork which must be tendered for reimbursement by funding entities such as Medicare, Medicaid, or health insurance. Such paperwork may include, but is not limited to individual education plans or Client-specific program plans. During the contracted assignment, should telepractitioners fail to submit paperwork as required per Client's policies and procedures, Client must notify VocoVision in writing within three (3) business days of alleged failure. Failure to notify VocoVision within the three (3) day period shall negate any Client claim to withhold payment due to paperwork non-compliance by telepractitioners. Within three (3) business days following the conclusion of a contracted assignment, Client shall conduct a final review to determine whether the completion of additional paperwork is needed from the telepractitioners. Failure to notify VocoVision prior to the fourth (4th) day after conclusion of the assignment will negate any Client claim to withhold payment due to paperwork non-compliance by telepractitioner.

Packaging

All packaging, boxes and containers used to ship VocoVision equipment are considered property of VocoVision and must not be discarded. Packaging should be stored and kept in good condition during the course of the contract and must be used for return shipping at the conclusion of services. If VocoVision packaging is lost or damaged, Client is solely responsible for obtaining replacement packaging to ensure undamaged return of equipment to VocoVision. In such cases, we strongly recommend the use of a professional packaging and shipping service, such as the UPS Store or a FedEx retail location.
