ACTION REQUESTED

Approve the Variable Term Waiver Request to the California Commission on Teacher Credentialing for Jessica Richitelli for the 2021-2022 School Year

BACKGROUND INFORMATION

We are requesting a Waiver for Jessica Richitelli to cover her English Learner Authorization while completing her Career Technical Education (CTE) Program.

Variable term Waivers give the employer the ability to cover assignments when a fully qualified credentialed employee cannot be found. Waivers allow employers to meet with staffing needs while searching for an individual who either holds an appropriate credential or qualifies for one of the available assignment options for the assignment. It also allows the individuals holding waivers to complete their credential requirements while serving in the classroom.

Terms for the Waiver Criteria are set by the Commission and include specific requirement for designated high and low incidence credentialing areas including verification of recruitment efforts, evidence of qualifications to teach in the assignment and a commitment to meet the credentialing goals.

If a fully credentialed candidate is not available, employing agencies must recruit candidate in this order:

- A candidate who is qualified to participate and to enroll in an intern program
- A candidate who is scheduled to complete his or her preliminary credential requirement within six months
- A candidate who qualifies to use a local assignment option
- A candidate who qualifies for the Provisional Internship Permit (PIP) or the Short-Term Staff Permit (STSP). If the employer is unable to find an individual who qualifies for one of the staffing options listed above, the Variable Term Waiver may be requested for the most qualified candidate.
