First Read of Proposed Revisions of Board Policy 5144.22 Infectious Diseases

**BACKGROUND INFORMATION**

Policy reflects NEW LAW (AB 262, 2019) which requires local health officers to notify and update districts of an outbreak, or imminent outbreak, of a communicable disease and requires districts to comply with any orders issued by the health officers and all applicable privacy laws. Policy also clarifies that any allowable exclusions apply only to on-campus instruction and provides that the superintendent or designee will, when necessary, inform the local health official of any potential outbreak.
