Approve Resolution No. 25-2022-2023 School Lunch Hero Day, May 5, 2023

BACKGROUND INFORMATION

This year marks the 10th anniversary of national School Lunch Hero Day! The first Friday of every May, the People of California officially recognize all school food service professionals. School Lunch Hero Day acknowledges our dedicated, creative, hardworking, reliable, and unstoppable heroes at TTUSD. Our school food service professionals led the nation's first Universal Meals Program movement, immediately after COVID-19 emergency feeding. Because of our school nutrition professionals and their commitment to student health and desire to improve learning outcomes for our children, TTUSD is able to offer every student a quality, nutritious breakfast and lunch each and every school day!

This resolution would designate May 5, 2023 as School Lunch Hero Day in California to draw special public attention to school food service workers for their continued service to California students.
