The plan is revised and approved annually

- The plan is aligned to The CA English Learner Roadmap, LCAP, and State requirements
- The Plan is revised with input from DELAC, EL Coordinators and Principals

Highlights of Changes to the Master Plan for English Learner Services

Minor updates were made to;

- DELAC members
- TTUSD staff
- Clean up and update language

Highlights of Changes to the Master Plan for English Learner Services

RFEP Criteria changed to align to the State criteria. Formerly there were criteria for ELPAC subscores, and that has been changed to a requirement of an overall score of “4- Well Developed”. Additionally, the DIBELS screener assessment platform may be used as a possible qualifier under the category of basic skills.

GATE / Accelerated Learning: Information was added about the additional criteria for English Learners to qualify for GATE and the newly implemented one on one support meetings with EL GATE families.
