### **BACKGROUND INFORMATION**

This Cooperative Contract is designed to jointly serve the mutual consumers receiving services from the Northern Sierra District Department of Rehabilitation (DOR) and the Tahoe Truckee Unified School District. Staff and resources are combined to provide vocational rehabilitation services through this Transition Partnership Program (TPP).

The following TTUSD high school sites will be served under this cooperative contract: Truckee High School, North Tahoe High School, Sierra High School, and Cold Stream Academy.

Students with significant disabilities will be referred to DOR during their junior or senior year of high school. After the student is in applicant status with DOR, TPP staff from TTUSD will work closely with the DOR Counselor throughout the referral, eligibility, planning, and follow-up processes to ensure coordinated service provision that will lead to successful employment outcomes. Cooperative processes include: sharing of pertinent TPP student/DOR consumer information to assist in evaluation and planning; collaborative planning meetings; linkages to school-based vocational training programs and other support resources for in-school TPP student/DOR consumers as needed to achieve Individual Plan for Employment (IPE) goal; and employment and follow-up services.
