SUBJECT: Approve Support for **SWEP** to Partner with the Truckee Tahoe Airport District

PRESENTED BY: Kerstin Kramer, Executive Director of Educational Services

ACTION REQUESTED

Approve Support for SWEP to partner with the Truckee Tahoe Airport District

BACKGROUND INFORMATION

The Truckee Tahoe Airport Board requests the TTUSD Board to discuss and vote to support SWEP's partnership application. The SWEP application with the Truckee Tahoe Airport District will only be considered when endorsed through a formal motion or resolution by the governing board of another local public agency with an elected or appointed board.

SWEP's 2022 Partnership Request is a continuation of the work that SWEP is currently doing with the Tahoe Truckee Emission Reduction Partnership with TTAD. To continue our shared goal of reducing our local methane and carbon emissions, SWEP has a two-part plan for 2023.

Our first goal is to continue the work of reducing methane emissions and compliance with the California state law SB 1383, which requires the recovery of all edible food by 2025. Our second goal is to support school-wide zero waste initiatives. Please see the attached application and summary document for specific details.
