### **ACTION REQUESTED**

Review and discuss the Federal Program Monitoring at Tahoe Truckee Unified School District.

### **BACKGROUND INFORMATION**

Federal Program Monitoring at Tahoe Truckee Unified School District is an overall determination and review of the district's statutory programs and fiscal requirements for categorical programs. Federal and state laws require the California Department of Education (CDE) to monitor the implementation of categorical programs operated by local educational agencies (LEAs). LEAs are responsible for creating and maintaining programs that meet minimum fiscal and programmatic requirements.

Each school year, approximately 130 LEAs are selected for review. The LEAs are selected using established selection criteria, including program size, fiscal analysis, compliance history, and continuous improvement.
