ACTION REQUESTED

Approve Proposed Revisions to the Last Day of School for the 2022-2023 and 2023-2024 School Year Calendars

BACKGROUND INFORMATION

The School Board is responsible for setting the beginning and ending dates for School Year Calendars. At the time of approval of both calendars, the district did not have verified information as to whether June 19th (Juneteenth) would be recognized as a state holiday. At this time, it has been officially verified that June 19, 2023 is a state holiday.

The 2022-2023 and 2023-2024 school calendars have been revised to include a school holiday on June 19th. With the inclusion of this holiday into the calendar, the last day of school has been moved forward by one day. For the 2022-2023 school year, the last day of school is Friday, June 23. For the 2023-2024 school year, the last day of school is Friday, June 21 (2024 is a leap year).
