TO: Board of Education

FROM: Mrs. Kerstin Kramer, Superintendent Chief Learning Officer

SUBJECT: Consideration of the Change of Use for a Portion of a District Land Parcel

PRESENTED BY: Mrs. Kerstin Kramer, Superintendent Chief Learning Officer

ACTION REQUESTED:

Authorize district staff to work on an agreement with Tahoe City Public Utility District to change the use of the existing dog park located at 211 Grove Street, Tahoe City, CA, to a community skate park.

BACKGROUND INFORMATION

The Scotty Lapp Foundation provided a presentation about the Skate Park to the Board of Education on April 24, 2024. They wish to build a Skate Park in Tahoe City in memory of Scotty Lapp. The TTUSD Board of Trustees will consider authorizing staff to work with Tahoe City Public Utility District (TCPUD) to develop an agreement that would allow the skate park to be constructed on a TTUSD-owned land parcel at 211 Grove St, Tahoe City, CA 96145, adjacent to existing ball fields and Tahoe Lake Elementary School.

After Scotty Lapp's tragic death in February 2022, the Scotty Lapp Foundation (SLF or Foundation) was established as a 501(c)(3) non-profit corporation in honor of Scotty and to bring Scotty's dream of creating a Tahoe City skatepark to fruition.

The Foundation has collaborated with TCPUD and Placer County to identify a potential skate park location. They reviewed several locations in the North Tahoe region. They selected the TTUSD Grove Street land parcel as their top choice due to its good access to public transportation and bike trails, high visibility, flatness, and proximity to the Tahoe City Skate Shop.

RESOURCES REQUIRED: A portion of the TTUSD Grove Street land parcel
