Amount requested: \$1,750

What, specifically, will the funds be used for?: PBS (Positive Behavior School) Program to acknowledge student growth.

Funds you have already raised: We have a zero balance to start the school year, and it takes about \$3,000 or more to sustain our program each year. We will be asking other local entities to help support our program.

Describe the need: The Truckee Rotary was the entity that helped me begin and fund this program many years ago. Over the years we have had great success with our students earning Creed Coins (wooden nickels with our school logo) as they follow and exceed our expectations and exceed their own expectations. Throughout the school year, students earn Creed Coins and can make lunch requests from local restaurants which we deliver to them, make purchases through Amazon, buy school spirit wear, or participate in our student prize giveaways. We are asking for a donation to continue this program as it truly changes students' perceptions about school and our community that rallies around them to support them all the way to graduation and beyond.

Number of TRUCKEE citizens affected by Project: 100

Have you applied to us for funding before?: Yes

Describe community service your organization already participates in: Prior to COVID, our students participated in the Christmas Tree Lot. My wife and I have attended the Cadillac Ball over the years.

All funds awarded by Truckee Rotary are raised by our club's annual fundraising gala, the Cadillac Ball, and the Rotary Raffle. The amount of money raised at the Cadillac Ball directly affects how much funding is available for distribution throughout the year. To that end, all grant recipients are asked to participate in at least one of the following activities. How can your organization help us fundraise? (Check all that apply): Help sell Rotary Raffle tickets

Can your organization donate a silent auction item to Cadillac Ball? If so, please describe item(s) below. Be creative! Some ideas include: your team will donate 5 members to do 3 hours of yard work; one of your board members has a vacation home in Carmel and can donate a weekend stay; one of your club members owns a winery and will donate a tasting; one of your parents owns a local restaurant and can donate a gift certificate; your band or dance group can organize a cocktail party at a private home where you perform, etc.: I may be able to donate artwork, not sure.
