ACTION REQUESTED

Accept the grant from the Tahoe Mountain Resorts Foundation for the Sagehen Outdoor Education Program.

BACKGROUND INFORMATION

Sagehen Outdoor Education Program is a program within the Tahoe Truckee Unified School District. It has been in operation since 2007, organized by the volunteer efforts of a few teachers.

The mission of the program is to provide activity-based experiential learning in an outdoor setting. Today, as children spend more time indoors on computers, the importance of hands-on science in an outdoor setting is even more valuable. Our programs aim to provide this important aspect of learning to the students of TTUSD. This program provides this environmental outdoor education program for approximately 300 fifth-grade students in the Tahoe Truckee School District.
