

DATE: April 24, 2024
TO: Board of Education
FROM: Mrs. Kerstin Kramer, Superintendent Chief Learning Officer
SUBJECT: Scotty Lapp Skate Park
PRESENTED BY: Mrs. Kerstin Kramer, Superintendent Chief Learning Officer

ACTION REQUESTED: Information and Discussion

The Board of Education will hear a presentation by the Scotty Lapp Foundation about the Skate Park they wish to build in Tahoe City in memory of Scotty Lapp. The Scotty Lapp Foundation will request that the TTUSD Board of Trustees support a revised joint use agreement with Tahoe City Public Utility District (TCPUD) that would allow the skate park to be constructed on a TTUSD-owned land parcel at 211 Grove St, Tahoe City, CA 96145, adjacent to existing ball fields and Tahoe Lake Elementary School.

BACKGROUND INFORMATION

After Scotty Lapp's tragic death in February 2022, the Scotty Lapp Foundation (SLF or Foundation) was established as a 501(c)(3) non-profit corporation in honor of Scotty and to bring Scotty's dream of creating a Tahoe City skatepark to fruition. The Foundation's white paper is attached below.

The Foundation has collaborated with TCPUD and Placer County to identify a potential skate park location. They reviewed several locations in the North Tahoe region. They selected the TTUSD Grove Street land parcel as their top choice due to its good access to public transportation and bike trails, high visibility, flatness, and proximity to the Tahoe City Skate Shop.

The Foundation has secured support from the TCPUD, as evidenced by the letter of intent attached below. The letter of intent states that the TCPUD supports the development of a public skate park within its boundaries, specifically at the current Dog Park location. TCPUD also states its intent to provide operations and maintenance for the proposed skate park.

The Foundation conducted a pre-application meeting with Julie Roll of Tahoe Regional Planning Agency (TRPA) staff in June 2023 and received a letter in January 2024 acknowledging Tahoe Regional Planning Agency's agreement with the conclusions documented in the pre-application summary. The pre-application summary and TRPA letter are attached below.
