ACTION REQUESTED

Approve the proposed Truckee High School overnight field trip to Davis, CA, from May 17, 2024 through May 19, 2024.

BACKGROUND INFORMATION

The Model United Nations conference will provide our students with the most rigorous and enriching educational experiences available to high school students. Delegates must compose original research papers on pressing global issues, practice public speaking in front of large, diverse audiences, and collaborate/negotiate with student delegates from across the state on effective real world resolutions.

Truckee High School has 12 students participating in this field trip. The students can expect a fast-paced, historical crisis mixed in with substantive and current general assemblies for a mix of experiences. This trip will challenge the students' thinking and provide innovative and thought-provoking solutions.
