FROM: Mrs. Carmen Ghysels, Superintendent Chief Learning Officer
SUBJECT: Rescind Adoption of High School Marine Biology Instructional Materials
PRESENTED BY: Kerstin Kramer, Assistant Superintendent of Educational Services

ACTION REQUESTED

Rescind the Adoption of High School Marine Biology Instructional Materials *Marine Science, The Dynamic Ocean*.

BACKGROUND INFORMATION

Truckee High School (THS) recently learned that the High School Marine Biology Instructional Materials, *Marine Science, The Dynamic Ocean*, we adopted on March 8, 2023, is going out of print, and the digital platform will no longer be updated. TTUSD is committed to providing high-quality instructional materials that are current and available. Therefore, we are requesting the school board to rescind the recent adoption of *Marine Science, The Dynamic Ocean*.

The THS biology teacher will continue to use the piloted physical copies we have until we can find another suitable curriculum.

RESOURCES REQUIRED: Lottery
