SUBJECT: 2024-2025 Proposed Budget Adoption

PRESENTED BY: Todd Rivera, Assistant Superintendent Chief Business Officer

ACTION REQUESTED

Approve and adopt the 2024-2025 Proposed Budget.

BACKGROUND INFORMATION

California Education Code requires all school districts to adopt a budget for the 2024-2025 school year by July 1, 2024. Prior to adoption, the district must hold a public hearing to invite public comment on the proposed budget.

The 2024 - 2025 Proposed Budget contains \$98,854,719 in projected General Fund revenues and \$99,207,920 in projected General Fund expenditures. The report is in the State approved Standardized Account Code Structure (SACS) format. A narrative is included, which provides detailed explanations of revenue and expenditure categories for the 2024 - 2025 Proposed Budget.

Some of the major highlights of the 2024-2025 Proposed Budget include 1) an overall property tax growth projection of 4.92% and 2) \$1.2 Million in Expanded Learning Opportunity Program expenditures, 3) \$536,741 in Arts and Music in Schools expenditures. The estimated Reserve for Economic Uncertainty (REU) is \$17,581,179 or 17.72 % in 2024 - 2025.

Included in the budget is information on the District's reserves in excess of the State minimum as defined by Education Code 42127. This requires districts to provide information on the State required reserve level of 3% and any reserves in the unrestricted fund balance that exceed the minimum reserve amount. If reserves exceed the minimum, the district is required to provide reasons that substantiate the need for these additional reserves. TTUSD does have what would qualify as excess reserves, and information substantiating that need is included in the Budget. The report also includes a multi-year projection through 2026 - 2027 as well as a spending plan

for the Education Protection Account (Proposition 30) funds we will receive in 2024 - 2025. Staff requests that the Board adopt the Proposed Budget.
