

DATE: May 14, 2025

TO: Board of Education

FROM: Mrs. Kerstin Kramer, Superintendent Chief Learning Officer

SUBJECT: Second Update on Athletic Regulatory Changes and Legal Implications for TTUSD

PRESENTED BY: Mrs. Kerstin Kramer, Superintendent Chief Learning Officer

ACTION REQUESTED

Information only: Superintendent Kramer will provide a second update on recent NIAA policy revisions, legal implications for TTUSD, and the transition to CIF.

BACKGROUND INFORMATION

Recent Nevada Interscholastic Activities Association (NIAA) policy changes regarding student-athlete eligibility based solely on biological sex directly conflict with California laws protecting gender identity and expression, including AB 1955, which guarantees students' rights to privacy and protects them from discrimination.

At the May 7th board meeting, Superintendent Kramer provided a presentation on the NIAA Athletic regulatory changes and plan for the TTUSD transition from the Nevada Interscholastic Activities Association (NIAA) to the California Interscholastic Federation (CIF) beginning in the 2025-2026 school year.

The school board and district staff received feedback from the community both prior written public comments and during public comment at the board meeting.

The school board directed the superintendent and district staff to investigate the legal ramifications and potential waivers of delaying the CIF transition. A special board meeting on May 14th, prior to the May 15th final notification deadline to the NIAA, will allow for further discussion and impact reassessment.
