First Read of Proposed Revisions of Board Policy and Administrative Regulation 6159, Individualized Education Program

BACKGROUND INFORMATION

Policy updated to include the requirement, formerly in BP/AR 0430 - Comprehensive Local Plan for Special Education, to provide a free appropriate public education (FAPE) to students who have been suspended or expelled from school or who are placed by the district in a nonpublic, nonsectarian school. Policy adds the requirement to provide FAPE to individuals age 18-21 who are incarcerated in an adult correctional facility if they had been identified as students with disabilities or had an individualized education program (IEP) in their prior educational placement.
