

**REGISTERED BEHAVIOR TECHNICIAN**

---

**Purpose Statement:**

Under the supervision of the Executive Director of Student Services, the Registered Behavior Technician (RBT) is a paraprofessional who practices under the close, ongoing clinical supervision of the Board Certified Behavior Analyst (BCBA) and is primarily responsible for the direct implementation of skill- acquisition and implementation of behavior support plans developed by the clinical supervisor and in collaboration with the classroom teacher. The RBT may collect data and conduct certain types of assessments (e.g., stimulus preference assessments).

**Essential Functions**

- Assists teacher by helping with classroom instruction and working with children during instructional activities. Assists in modifying classroom environment and homework lessons for students requiring modifications.
- Follow the prescribed behavioral skill acquisition and behavior reduction protocols.
- Collect data and measure outcomes.
- Conduct assessment of behaviors and stimulus preferences.
- Assist students with skill acquisition.
- Monitor student's behavior inside and outside of the classroom and accompany students to areas on campus.
- Daily record and maintain accurate data representing student's progress, occurrences of problem behaviors and other student information.
- Assist in introduction of items/targets as appropriate and according to the written protocol or as directed by Behavior Analyst.
- Relay observations and suggestions to Behavior Analyst
- Collaborate with the treatment team.
- Maintain confidentiality to protect students, families and staff.
- Maintain a clean, safe, and organized work and therapy environment.
- Participates in testing students in a variety of areas, including academic and social progress.
- Assist in preparing and maintaining intervention materials
- Participate in and contribute to bi-weekly staff meetings
- Attends a variety of in-service training sessions and other related meetings.
- Perform duties while adhering to the ethical requirements as outlined by the Behavior Analyst Certification Board
- Other Job related duties as Assigned

**SKILLS** are required to perform multiple, technical tasks with a need to occasionally upgrade skills in order to meet changing job conditions.
