## Fiscal Year 2024–25 CSPP Continued Funding

### Early Education Division

#### Overview

Contractors holding a current California State Preschool Program (CSPP) contract, and if applicable a Prekindergarten and Family Literacy Support (CPKS) contract, who wish to be considered for continued funding for fiscal year (FY) 2024–25 must complete this application for continued funding. The FY 2024–25 Continued Funding Application (CFA) Overview and Instructions may be accessed on the [CFA web page](#).

Contractors who apply for and are approved for continued funding do not need to sign a contract with the CDE to provide CSPP and CPKS services for FY 2024–25. Contracts will be automatically renewed in accordance with all applicable federal and state laws and Contract Terms and Conditions (CT&Cs). By signing this CFA, the contractor is indicating that it wishes to automatically renew its contract(s) for FY 2024–25 and accepts all of the terms and conditions of the 2024–25 CSPP contract, and if applicable the 2024–25 CPKS contract, which will be provided to the contractor no later than June 1, 2024.

Upon completion of this CFA, the California Department of Education (CDE) will review the application and may contact your agency seeking additional information. If the CFA is returned to the CDE in a timely manner but is not fully and accurately completed, funding for FY 2024–25, if approved, may be delayed.

Please also note that contractors have no vested right to a subsequent contract. Completion of this CFA does not guarantee a renewal of funding. If the CDE determines your agency will not be renewed for a subsequent contract year, you will be notified in writing no later than April 7, 2024, pursuant to the *California Code of Regulations*, Title 5 (5 CCR) Section 17828.

Contractors that wish to reject the terms of the FY 2024–25 CSPP and/or CPKS contract must provide the CDE with a written notice that the terms of the contract(s) are rejected by emailing [EarlyEducationContracts@cde.ca.gov](mailto:EarlyEducationContracts@cde.ca.gov) on or before June 30, 2024. The email should come from the Executive Director/Superintendent of the contracting entity or their authorized representative and state that the terms of the FY 2024–25 CSPP and, as applicable, the CPKS contract are rejected. Contractors providing such notice to the CDE of the rejection of the terms of the contract will not have a contract(s) in effect for FY 2024–25. Note that while contractors who currently receive CPKS funding may reject their 2024–25 CPKS contract, they cannot reject their 2024–25 CSPP contract and still receive funding under a CPKS contract since CPKS funding is tied to having a CSPP contract.

If a contractor wishes to terminate the contract for any reason during the FY 2024–25 contract term, the contractor shall notify the CDE of its intent to terminate the contract at least 90 calendar days in advance of contract termination and shall follow CCR 17795.

## Section VI: Contractor Certification

**Under penalty of perjury, I certify the following statements as true and correct to the best of my knowledge: (Each box below must be selected in order to continue with the application.)**

- I have read and understand the staffing requirements for Program Director, Site Supervisor, and Teacher. All staff employed by the contractor for the provision of preschool services are fully qualified for their respective positions. The exception to this certification is a person employed as Program Director or Site Supervisor who possesses a current Staffing Qualifications Waiver approved by the Early Education Division.
- I am authorized by the contractor's Board of Directors or other governing authority to execute this CFA, signifying their intent to automatically renew the current CSPP contract, and CPKS contract if applicable, for FY 2024–25, under new terms and conditions to be established by the CDE, unless rejected in writing prior to the effective date of the new CSPP contract(s) on June 30, 2024.
- On behalf of the contractor and its governing authority, I understand that some information requested in this CFA is intended for use by CDE auditors in connection with future audit work and performance reviews and may not be used, reviewed, or considered by the CDE until after the contract has expired, if ever. Therefore, the contractor further understands that the information (and any underlying transactions) disclosed by this CFA shall not be considered properly noticed to the CDE, nor approved, accepted, or authorized by the CDE, even if the contractor's request for continued funding by the CDE is subsequently approved.
- The governing board members or persons with governing authority have been trained in understanding conflict of interest requirements associated with their positions on the board and have reported all known conflicts of interest.

**As the authorized representative of the CSPP contractor named in this application, I certify that: (Each box below must be selected in order to continue with the application.)**

- I have reviewed all of the information for my agency and, to the best of my knowledge, the information on the CDMIS website reflects accurate information for my agency as of the date this certification is signed.
- I understand my obligation as a CSPP contractor to ensure the accuracy of information in CDMIS on an ongoing basis and will update the information in CDMIS as needed throughout the contract period.

**As the signer on this CFA I have supervisory authority over the CSPP and have actual, personal knowledge of the information provided in this CFA. I am familiar with and will ensure that the contractor complies with all applicable program statutes and regulations in effect for FY 2024-25, including but not limited to: (Each box below must be selected in order to continue with the application.)**

- Subcontracting requirements, including competitive bidding, CDE approval, and audit requirements in 5 CCR.
- Prohibitions on conflicts of interests, including (i) the assurances required to establish that transactions with officers, directors and other related party transactions are conducted at arm's length, and (ii) employment limitations stated in EC.
- Cost reimbursement requirements, including reimbursable and non-reimbursable costs, documentation requirements, the provisions for determining the reimbursable amount and other provisions in 5 CCR, and accounting and reporting requirements in 5 CCR.
- Operational and programmatic requirements.
- Personnel requirements as stipulated in the California Education Code, 5 CCR; and the CT&Cs.

By signing this CFA, the contractor is indicating that it wishes to automatically renew the current contract for FY 2024–25 and, if approved, is willing to, and does accept, all terms and conditions of the CSPP contract, which will be provided to the contractor no later than June 1, 2024. The contractor may reject the FY 2024–25 contract by providing the CDE with a written notice of rejection no later than June 30, 2024. Contractors that wish to reject the terms of the FY 2024–25 contract must provide written notice that the terms of the contract are rejected by emailing [EarlyEducationContracts@cde.ca.gov](mailto:EarlyEducationContracts@cde.ca.gov) on or before June 30, 2024. The email should come from the Executive Director/Superintendent of the contracting entity or their authorized representative and state that the terms of the FY 2024–25 CSPP contract, and CPKS contract if applicable, are rejected.

Contractors providing such notice to the CDE of the rejection of the terms of the contract(s) will not have a contract(s) in effect for FY 2024–25. I understand that failure to timely reject the terms of the contract means that the contract may be automatically renewed for FY 2024-25 starting on July 1, 2024.
