**ACTION REQUESTED**

First Read of Proposed Revisions of Board Policy 0430 Comprehensive Local Plan for Special Education

**BACKGROUND INFORMATION**

Policy updated to reflect the requirement that the Special Education Local Plan Area (SELPA) submit its local plan to the county office of education and/or Superintendent of Public Instruction and the requirement, beginning July 1, 2020, to review the plan every three years. Policy also clarifies the different types of SELPA governance structures and adds an option for arrangements in which the district joins with other districts and the county office of education to form a SELPA. Policy deletes material related to the referral and eligibility of students for special education, which is addressed in AR 6164.4 - Identification and Evaluation of Individuals for Special Education. Policy adds requirement to adopt a procedure for the ongoing review of programs and a mechanism for correcting any identified problem.
