ACTION REQUESTED

Approve the Reimbursement Agreement By and Between Tahoe Cross-Country Ski Education Association and Tahoe Truckee Unified School District.

BACKGROUND INFORMATION

On March 20, 2024, the District entered into a Reciprocal Parking Agreement with the Tahoe Cross-Country Ski Education Association (Association). That agreement required the District and Association to enter into a Reimbursement Agreement to provide payment from the Association to the District for the cost of installing an ADA path of travel between the campus and the eastern property line, and a driveway connector from the High School parking lot to the eastern property line.

This Reimbursement Agreement will allow the Association to reimburse the District for the construction and soft costs associated with the ADA path of travel and driveway connector.
