

DATE: May 17, 2023
TO: Board of Education
FROM: Mrs. Carmen Ghysels, Superintendent Chief Learning Officer
SUBJECT: Information and Discussion of District Strategic Plan Draft Preview
PRESENTED BY: Kerstin Kramer, Assistant Superintendent of Educational Services

ACTION REQUESTED

Information and Discussion - On behalf of the Superintendent Chief Learning Officer, the Assistant Superintendent of Education Services will present the District Strategic Plan Draft Preview and ask for board discussion.

BACKGROUND INFORMATION

During the 2022-2023 school year, the district engaged in a collaborative process with TTUSD staff, students, families, and community members to collect input regarding what our community values most about our schools, identify opportunities to enhance current programs, and address potential challenges. Based on community input and research from a 45-person Task Force, District Leadership, and the Board, the District has prepared a first draft of the new strategic plan framework for Board review and discussion and potential action to adopt in June.
