BACKGROUND INFORMATION

This year, the District English Learner Advisory Committee (DELAC) has been actively advising the district on enhancing English Learner Programs and Services. The committee has dedicated itself to meeting five times to not only undergo training but also to provide valuable input on improving programs and services for English Learners. The committee members' suggestions have been truly beneficial, and this information aims to consolidate and present their input to the School Board. Furthermore, during the 2023-2024 school year, revisions have been made to support the 2024-2025 EL master plan, which will bolster the TTUSD English Learner program and services as part of the Federal Monitoring Review.
