ACTION REQUESTED

Approve the proposed new high school course Video Editing for 2024-2025.

BACKGROUND INFORMATION:

Video Editing is a one-year technical education course emphasizing professional ethics, professional videography processes, and professional editing techniques for the video production profession. Throughout the course, students assume different roles and responsibilities in video production, ranging from director to editor to camera operator to on-screen talent. Students create and produce multiple video projects with increasing complexity throughout this class.

This course is for Grades 9-12, and is a year-long course.

RESOURCES REQUIRED: Prop 28 Arts and Music Grant Plan
