ACTION REQUESTED

Approve the proposed revisions to Board Policy and Administrative Regulation 0460, Local Control and Accountability Plan.

BACKGROUND INFORMATION

Policy updated to reorganize and clarify material.

Policy updated to reflect NEW LAW (SB 114, 2023), which (1) requires numerous changes to the local control and accountability plan (LCAP) for use in the 2024-25 school year and (2) adds "long-term English learners," defined by NEW LAW (SB 141, 2023) as a student who has not attained English language proficiency within seven years of initial classification as an English learner, as a numerically significant subgroup.

The policy was also updated to add headers for clarity, align the policy structure with the LCAP process, and clarify references to the annual update and budget overview for parents/guardians.

Regulation updated to reflect NEW LAW (SB 114, 2023), which (1) requires numerous changes to the local control and accountability plan (LCAP) for use in the 2024-25 school year and (2) adds "long-term English learners," defined by NEW LAW (SB 141, 2023) as a student who has not attained English language proficiency within seven years of initial classification as an English learner, as a numerically significant subgroup.

The regulation was also updated to add a "Timeline" section to provide greater specificity regarding required LCAP dates and recommended dates based on best practice and reflect NEW LAW (SB 609, 2023), which requires districts to post the LCAP on the performance overview portion of the California School Dashboard.
