BACKGROUND INFORMATION

Azulejo, Anthology & Guide to the AP Spanish Literature and Culture Course, 2nd Edition

Azulejo's standards-based curriculum introduces students to high-level critical thinking as it prepares them for success in the AP Spanish Literature and Culture Course. Azulejo is tailored to the new AP curriculum, emphasizing a thematic approach through step-by-step textual analysis, and provocative questions that challenge students to discover continuity and change across genres and time periods. Azulejo is the only offering that presents every literary movement, author, and work for the latest AP exam, with emphasis on cultural, historic and thematic contexts.
