**ACTION REQUESTED**

See the information provided in the Facilities Program Update Presentation

**BACKGROUND INFORMATION**

Facilities staff will provide an update on facilities projects, including those funded by the Measure E & U bond program. The Measure U & E bond program provides capital improvements and upgrades to our Truckee and Lake area schools. In addition, staff will revisit past project accomplishments and expenditures.

Included in the presentation, staff will also discuss our Facilities Master Plan and the need for a future updated Plan.

**PREPARED BY:** Rose Green, Administrative Assistant - Facilities
