FROM: Mrs. Carmen Ghysels, Superintendent Chief Learning Officer,

SUBJECT: Public Hearing on the Local Control Accountability Plan for 2023-2024

PRESENTED BY: Kerstin Kramer, Assistant Superintendent of Educational Services

ACTION REQUESTED

Hold Public Hearing to receive public comments and feedback on the 2023-2024 Local Control Accountability Plan (LCAP) prior to adoption on June 21, 2023.

BACKGROUND INFORMATION

State law requires the Board to hold a public hearing prior to the adoption of its 2023-2024 Local Control and Accountability Plan. The public hearing must be held at the same meeting as the public hearing scheduled for the 2023-2024 Proposed Budget. The hearing cannot be held at the same meeting in which the formal budget adoption occurs.

LCAP goals and actions support the eight state priorities and the seven areas identified in the TTUSD Strategic Plan Pathways 2020. The public hearing provides the community with an opportunity to make comments or suggestions on the 2023-2024 Local Control Accountability Plan prior to adoption.

The LCAP Federal Addendum is included. The LCAP Federal Addendum supplement to the LCAP ensures that eligible LEAs have the opportunity to meet the Local Educational Agency (LEA) Plan provisions of the Every Student Succeeds Act (ESSA).

In addition, the Local Performance Indicator Self-Reflection is included to show the district's progress in meeting the requirements of the specific Local Control Funding Formula (LCFF) priority.

We request that the Tahoe Truckee Unified School District (TTUSD) Board of Education authorize staff to make necessary technical corrections to obtain approval of the LCAP by the

County Superintendent of Schools that do not change the intent or represent a substantial change to program content.
