ACTION REQUESTED

Approve the proposed North Tahoe High School Overnight Field Trip to CSU Monterey, UCSC, UCB, and Santa Clara University, CA, from April 14 through April 16, 2024.

BACKGROUND INFORMATION

North Tahoe High School’s Grit juniors will be exposed to four college campuses ranging from state to private universities. They will gain invaluable knowledge that will help them decide where to apply for college. This is an opportunity that most of the students attending could not afford otherwise.

The students will tour the library, an academic building, the student center, a dining hall, and a dorm room. But these visits aren’t only about seeing the sights. It’s also about seeing how they relate to the campus and the students and how they fit in.
