

TRUCKEE EL PTO

PTO Grant Application Form

Detailed estimation of cost break-down must be attached.

Date :

Applicant's Name : Julie Kern

Project Title : TK sensory and play based growing Project

Grade(s) Project is for : TK Number of students benefited : 53 (and many more years to come)

Amount Requested : **\$3,184.81** Name to Appear on Check : Julie Kern Or Truckee Elementary

Grant Deadline Date: special circumstance per Rosemarie Project Completion Date: ASAP (and Thank you!)

Explain the purpose of the proposed project, the benefit to students, and how it will be implemented—including a timeline and measurable results :

The purpose of this project is to provide, hands on and sensory based materials for all of our Transitional Kindergarten students at Truckee Elementary School. Our earliest learners will benefit from this project by having opportunities to engage in activities that allow them to explore the world around them while enhancing their imagination, curiosity and creativity. These materials will be shared amongst the Transitional TK team for several years to come and will benefit from all of these things in many ways. Some of the benefits include, helping to create a warm, welcoming and rich environment that will allow our little learners the opportunity to use all of their senses to explore dramatic play, home living, science, social studies, Stem activities, and more! As Tk continues to grow, we are adding more and more classes here at Truckee Elementary school and our grade level wants to ensure success for each little learner that walks through our revolving doors. We want each student to have the same opportunities regardless of which classroom they walk into. All materials will be implemented into our centers and throughout our day in small groups, whole group, or during independent learning time. We will begin introducing them beginning the second week of school. These materials will allow us to provide the best learning environment for many years to come, but the results will be measured

by watching the social, emotional, and academic growth of all TK students throughout the school year. Thank you so very much for considering our request.

Sincerely,
Truckee Elementary TK team
