### **ACTION REQUESTED**

Approve the proposed Truckee High School Overnight Field Trip to Stanford University for the Model United Nations from November 10 to November 12, 2023.

### **BACKGROUND INFORMATION**

The Model United Nations allows our students to collaborate on contemporary global issues with students across the state. As a result, our students can enhance their research, writing, public speaking, and collaboration skills.

Truckee High School has about 21 students participating in this field trip. The students can expect a fast-paced, historical crisis mixed in with substantive and current general assemblies for a mix of experiences. This trip will challenge the students' thinking and provide innovative and thought-provoking solutions.

The students will leave on Friday, November 10, 2023, mid-day and return on Sunday, November 12, 2023, by the early evening. They are staying at the Creekside Inn in Palo Alto, CA.
