**ASSISTIVE TECHNOLOGY TECHNICIAN**

---

**Purpose Statement:**

Under the direction of the Executive Director of Student Services, the Assistive Technology Technician provides assistive technology (AT) services to students with disabilities in order that they may access and benefit from their program of education. Works with Vision Specialist, Speech and Language Pathologist, Occupational Therapists and Special Education Teachers in the process of identification of Assistive Technology devices, supports, and services to allow students with disabilities to access and benefit from their program of education.

**Essential Functions**

- Collaborate in the assessment of students and supports recommendations regarding the selection, modification and implementation of AT devices and services to allow students to access and benefit from their program of specialized instruction.
- Under general supervision, train students on the use of assistive technologies compatible with their accessibility needs; work with students and staff to adapt course work and help facilitate accessible content requirements; ensure accessibility equipment are properly maintained and; and perform related duties as assigned.
- Provide information to students with disabilities on the various types of assistive technologies available to meet their needs, ranging from large-print materials, digital media, character recognition and text-to-speech software, Braille and tactile materials to specialized adaptive equipment; work with students to evaluate compatibility with their accessibility needs, consistent with the baseline accommodation recommendations made by their counselors; seek combined approaches that will convey information in the best possible manner
- Adapts classroom work/homework/assessment instruments (e.g. oral dictation, large print materials, etc.) under the guidance of the teacher for the purpose of providing a method to support and/or reinforce classroom objectives.
- Assists teachers (e.g. teacher specialists, etc.) and parents for the purpose of implementing lesson plans and/or developing students' daily living skills and addressing various challenges.
- Maintains classroom specialized equipment and materials for the purpose of ensuring a safe and appropriate learning environment.
- Assists in maintaining students' files/records for the purpose of recording the current status of progress.
- Monitors individual students in classroom and individual activities for the purpose of maintaining a safe and positive learning environment and observing students' interactions.
- Orients teachers and parents for the purpose of developing effective work and communication methods (e.g. talking, Braille, and large print books, talking calculators, light box, tactile materials, etc.) implementing functional curriculum and IEP objectives, etc.
- Performs record keeping and basic clerical functions, scheduling, copying etc. for the purpose of supporting the teacher in maintaining student files and providing classroom materials.
- Other Job related duties as Assigned
