First Draft - Expanded Learning Opportunities Grant Plan 2021-2022

### **BACKGROUND INFORMATION**

Tahoe Truckee Unified School District is applying for The Expanded Learning Opportunities Grant. This grant will provide additional funding to implement a learning recovery program. The additional funds will be used for, at a minimum, supplemental instruction, support for social and emotional well-being, meals, and snacks, to students who are included in one or more of the following groups:

- Low-income,
- English Learners,
- Foster Youth,
- Homeless students,
- Students with disabilities,
- Students at risk of abuse, neglect, or exploitation,
- Disengaged students, and
- Students who are below grade level, including, but not limited to, those who did not enroll in kindergarten in the 2020-2021 school year, credit deficit students, high school students at risk of not graduating, and other students identified by certificated staff.

In order to meet the requirements to receive the grant, our plan will include the following:

- A description of how parents, teachers, and school staff were involved in the development of this plan.
- A description of how parents and guardians of students will be informed of the opportunities for supplemental instruction and support.
- A description of how students will be identified and the needs of students will be assessed.

- A description of the Local Educational Agency's (LEA) plan to provide supplemental instruction and support.

This item is being brought forward as a draft because we continue to make modifications based on stakeholder input and because of the short timeline to create and have the plan approved.
