SUBJECT: Approve TTUSD Contribution for Heart of Gold Bike Ride in Support of Teen Mental Health Awareness

PRESENTED BY: Mrs. Carmen Ghysels, Superintendent Chief Learning Officer

ACTION REQUESTED

Approve TTUSD contribution for Heart of Gold bike ride in support of teen mental health awareness

BACKGROUND INFORMATION

The Nevada County is asking for a one-time \$5,000 contribution to this event, it is anticipated that this investment plus more will be reimbursed to TTUSD and pave the path forward for a sustainable race supporting our county wide community, teens, their families, and our students. “Heart of Gold” is the name of the ride. The organizer will acknowledge this contribution throughout the entire promotion of the event, and I will personally work to integrate TTUSD, Staff, and program level participation wherever possible. To provide the highest level of transparency, the fiscal sponsor BFFY is a 501C3 and accounting for all contributions, expenditures, and revenue from sales will be available at any time and summarized monthly during our planning calls.

RESOURCES REQUIRED: \$5,000.00 – General Fund
