SUBJECT: Approve the Community Air Protection (CAP) Incentives Program Grant Agreement with Placer County Air Pollution Control District SCN105388 to Replace Bus #09-55

PRESENTED BY: Todd Rivera, Assistant Superintendent Chief Business Officer

ACTION REQUESTED

Approve the Community Air Protection (CAP) Incentives Program Grant Agreement with Placer County Air Pollution Control District SCN105388 to Replace Bus #09-55.

BACKGROUND INFORMATION

The District was awarded a grant from the Placer County Air Pollution Control District for \$79,334.43 to purchase one (1) low NOx school bus. This project is funded by the Community Air Protection (CAP) Incentives Program. The CAP Incentives Program provides grant funding to projects that implement early actions to achieve emission reductions in excess of those required by regulation. The district is planning to purchase one (1) one 2023 or newer Blue Bird BBCV 2610 42-passenger bus totaling \$192,621.97. The pricing for this bus is based on a formal bid process performed by the Waterford Unified School District and their awarded contract to A-Z Bus Sales, Inc. on November 11, 2021, with a subsequent approval to extend the contract until December 31, 2023. The awarded contract included a clause allowing other districts to receive the same pricing (i.e., a piggyback clause per PCC 20118) expiring December 31, 2023.

RESOURCES REQUIRED:

Placer County Air Pollution Control District - \$79,334.43
General Fund Co-Pay - \$113,287.54
Estimated Total Project Amount - \$192,621.97
