ACTION REQUESTED:

Approve Nevada County Wellness Services Contract for 2024-25

BACKGROUND INFORMATION:

The Tahoe Truckee Unified School District (TTUSD) Wellness is a collaboration between the school district, Placer and Nevada counties, Tahoe Forest Hospital, and the Community Collaborative of Tahoe Truckee (CCTT) partners that is designed to provide a youth-friendly point of entry for students to connect to supportive adults and access school and community wellness and mental health resources. At the heart of the Wellness Program are K-12 Wellness Centers that serve as access points for students to ask questions, learn new skills, and seek support.

We are entering into our twelfth year of this co-funded program and Nevada County is set to contribute \$107,436 for the 2024-2025 school year. The Wellness Program is overseen by Kim Bradley, TTUSD Wellness Coordinator, under the TTUSD Student Services Department. The TTUSD Wellness Program has grown tremendously over the last 10 years and has become firmly embedded into the school district's school culture. Wellness staff collaborate with their school site Coordinated Care Teams to provide a seamless system of care for all students.
