

DATE: February 24, 2021

TO: Board of Education

FROM: Mrs. Carmen Ghysels, Superintendent Chief Learning Officer

SUBJECT: Facilities Program Update

PRESENTED BY: Jorge Rojas, Director of Facilities, Maintenance & Operations

ACTION REQUESTED

See the information provided in the Facilities Program Update Presentation

BACKGROUND INFORMATION

Facilities staff will provide an update on facilities projects, including those funded by the Measure E & U bond program. The presentation will include an update on progress for the 2019-2021 projects.

The Measure U program provides capital improvements and upgrades to our Truckee Area schools. Staff will revisit past project accomplishments and review the recently completed Truckee High School Increment II project, which included the modernization of the existing classroom wing, new administration offices, and a library.

The Measure E program provides capital improvements and upgrades to our Lake Area schools. Staff will revisit past project accomplishments and review the recently completed Tahoe Lake Elementary Modernization project, which included classroom additions and the modernization of the existing campus.

PREPARED BY: Rose Green, Administrative Assistant - Facilities
