Approve First 5 Placer Children and Families Commission 2021-2023 Contract No. CN006708

**BACKGROUND INFORMATION**

The Tahoe Truckee Unified School District has contracted with First 5 Placer since 2004 and has long embraced the importance of providing a strong foundation for learning to children zero to five. In September of 2012, TTUSD joined with four other local agencies to form the North Tahoe Early Childhood Support Network under the umbrella of the Community Collaborative of Tahoe Truckee. Together we submitted a Request for Results Application to First 5 Placer in July of 2013. The proposal was funded and has brought over 2 million dollars to the area from July 2013 to January 2020. The funds are dispersed annually through individual contracts with each of the four participating agencies.

The Tahoe Truckee Unified School District's annual contract for 2021-2023 totals \$240,675. The Scope of Work attached with the contract explicitly outlines the strategies and program outcomes. In summary, the funds support the Kings Beach Family Room, parent and staff education, ongoing formal collaboration between pre-school and kindergarten teachers, local Early Learning Conferences and our Early Learning Manager position. First 5 Nevada provides a smaller grant that enables us to provide a comprehensive array of services throughout our attendance area.
